

REBORN MEMBERSHIP APPLICATION FORM

Welcome to the Responsible Borneo (REBORN) membership program! We are delighted that you are interested in becoming a member of REBORN.

REBORN is a consultative body that aims to mobilize knowledge and resources into practice through research, innovation and partnership using responsibility as its core value to make a substantial impact on the societies.

Responsible tourism, one of the main missions of REBORN, is a response to the declaration of the Sarawak Commitment to Responsible Tourism made on 28 May 2021 and is in line with the Post COVID-19 Development Strategy (PCDS) 2030 led by the Right Honourable Premier of Sarawak. The overarching objective is to reorient and rebuild tourism through the lens of responsibility for sustainable development in Sarawak and other emerging destinations and regions.

REBORN underscores the importance, urgency and significance of responsible behaviour and collective actions for economic, socio-cultural and environmental well-being. It advocates responsible tourism as a strategic vehicle to drive positive change for the common good and future generations. As such, REBORN welcomes, facilitates and accelerates collaborations among stakeholders, including public and private sectors, academic institutions, associations and local communities. It also works with various international bodies, such as UN Tourism, and the International Centre for Responsible Tourism. It focuses on eight primary functions: (1) research, (2) projects, (3) events, (4) publication, (5) training, (6) community, (7) youth and (8) partnerships.

By becoming a member of REBORN, you are generally eligible to the following benefits:
